Nurseries, Inc.

## Free Event—Plantel Nurseries Open House

Ever wonder what all those trucks are that drive around and through town with wood boxes on trailers, tractors and some unfamiliar equipment hooked up to them are? Now is your chance to find out. Plantel Nurseries grows Vegetable Transplants for area farmers and is generally not open to the public. The managers and staff would like to welcome you to come out to **2890 Telephone Road, Santa Maria** for tours and free plants for your gardens. Come out and see how the farmers get their plants.

**The date is Saturday, May 3<sup>rd</sup>, 2014 from 9 am to 3 pm.**

**P**lantel Nurseries, Inc. is in the business of growing quality vegetable transplants. Our state-of-the-art facilities and growing techniques are unsurpassed in the industry. Plantel consistently produces transplants that give top field performance in yield and quality. This has allowed us to become a world leader in vegetable transplant production. We produced over a *billion* plants in 2012 and 2013. Since our inception in 1987 we have continued to progress with our facilities and operations with a focus on using technology where appropriate to facilitate efficiency and quality. Our specialty is providing quality plants consistently throughout the year with a focus on customer service.
